

Hungarian Language Semester Course for Students of Non-Medical Degree Programs in English

For students who arrive in Hungary to study for any length of time, our semester courses are the best opportunities to learn basic communication in Hungarian such as how to say "hello", how to buy a train ticket at the railway station or how to order a cup of coffee in a restaurant. So do not hesitate to join our groups and pick up some Hungarian which may come very handy at some later stage.

Course requirements: The courses comprise 40 classes during a period of 10 weeks (2x90-minute sessions/week, 4 class units/week). Students who attend at least 80% of the classes may take the written Summer School test and get a certificate which contains the results and credits at the end of the course. The ECTS value of each course is 2 credits.
