

# DEBRECEN SUMMER SCHOOL

## INTENSIVE HUNGARIAN LANGUAGE COURSE

for Ukrainian citizens residing in Hungary

300 class units, 30 ECTS credits

October 2023 – January 2024

### Programme of language instruction:

- Hungarian language for beginners
- duration: 15 weeks
- 300 Hungarian language classes (45 minutes each)
- 4 language classes per day
- language of instruction: Ukrainian
- Summer School examination and Certificate of Completion (ECTS credit points)

### Course description:

This course is an ideal language-learning opportunity for those students would like to use Hungarian in their studies or daily affairs in or outside Hungary. Students proceed from beginner to pre-intermediate level through 300 classes of language instruction. Developing phonetic skills, speaking and communicative competence as well as regular testing are integral parts of the language-learning program. By the end of the course, learners will know the basic rules of Hungarian grammar and the most important vocabulary used in everyday situations. All essential language functions and competencies will be put at their disposal.

(Please note that Debrecen Summer School is an adult educational institution which cannot provide student IDs for course participants.)
